

The Hospitality Center is open — 9:00 a.m. to 5:00 p.m., with coffee and sweet rolls again available from 9:30 to 11:00 a.m.

Evening festivities will start with the Chairman of the Board — President's Reception in the International Center South promptly at 6:30 p.m. Cocktail and evening dresses will be appropriate. At 7:30 we move into the International Center North for the 83rd Annual Dinner. The Modern Choir of the University of Colorado at Boulder, one of the finest musical groups in the country, will entertain us, followed by dancing until past midnight.

The week has flown by — and the time for saying farewell is here. There are no further business or social events planned — so the remaining hours until departure are all yours.

Thank you for coming! Our ladies are a very important part of AWA's Annual Meetings and we look forward to seeing you again in
